

Product Obsolescence Notification

Issue Date: January 31st, 2015

Dear Customer,

The purpose of this notification is to announce the obsolescence of the following products.

Part ID	Description
RJV-F	Swivel Assembly
RJV-S	Swivel Assembly
RJ 600	Service Kits
RJ 602	Seal Kits
RJ 610	Overhaul Kits
RJ 612	Tool Kits

The Key Milestones in this obsolescence process are:

1. **Formal Customer Notification of Obsolescence on January, 31st, 2015.**
2. **Orders for these products will be accepted through December 31st, 2015, with the exception of the RJV-F and RJV-S which are discontinued on June 30th, 2015.**
3. **All orders will be shipped no later than January 7th, 2016 unless negotiated otherwise.**

Reason for obsolescence:

The tool was replaced by the Raptor tools. StoneAge has determined that these old style tools are not a fit within our innovative product strategy.

Replacement Part Options:

StoneAge will no longer support items for the above assemblies after the date afore mentioned. Support parts may have a significant lead time and are subject to price change; please call for a quote to ensure proper pricing and to obtain lead time estimations.

Repairs:

Repairs will be available during the listed product support time, StoneAge will no longer offer repair services after that time.

If you have any questions, please contact your account representative or me directly. Thank you.
